Interdisciplinary Teaching Award (ITA)

This fund supports faculty from different disciplines to work collaboratively on the design and launch of innovative interdisciplinary courses. This program will award up to $20,000 and in-kind CTL support to teams of two or more faculty from different departments or schools to develop and offer undergraduate or graduate courses that integrate content and perspectives from different disciplines to enhance student learning.

About Your Proposed Project

Title of Proposal *
(Please enter the full title of your proposal.)
_____

Course Name *
_____

Course Number *
_____

When will you teach your course? * [select one]
- ○ Fall 2021
- ○ Spring 2022
- ○ Summer 2022
- ○ Fall 2022
- ○ Spring 2023
- ○ Summer 2023

Is this an undergraduate or graduate course? * [select one]
- ○ Undergraduate
- ○ Graduate
- ○ Both
