2024 Provost's Teaching & Learning Grant Application Form: Innovative Course Module Design Grant

Innovative Course Module Design Grant
This grant supports experimentation with a new pedagogical strategy or tool without attempting a full course redesign. These grants are designed to promote innovative thinking about and approaches to teaching, learning, and student engagement that involve scalable high-impact practices and thoughtful assessment of student learning. Awardees will receive in-kind support from the CTL and funds up to $2,000.

What is the **name** of the principal investigator (PI) who will act as the primary contact for this grant application?
